Subject: Delegation of Test / Inspection and Drop-Ship Authority

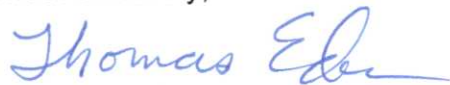

Based on the satisfactory results of the audit conducted April 10, 2007, Gables Engineering continues to delegate authority to Muirhead Avionics for the following:

- Repair, test and inspection authority for Gables products for all airframe manufacturers and avionics original equipment manufacturers (OEM's).
- Drop-ship authority to these manufacturers.

All work shall be performed in accordance with appropriate Gables manuals, drawings and specifications and comply with applicable FAR's, including FAR 145.

Gables looks forward to continuing a successful partnership with Muirhead Avionics.

Most sincerely,

Thomas Eden
Quality Manager
